QCPL CELEBRATES LIBRARY & INFORMATION SERVICES MONTH

Every month of November of each year, Libraries and Librarians all over the country celebrate Library and Information Services Month. This year’s theme is “Kaaya-ayang Magbasa sa Kapaligiran Kayganda”.

This year QCPL joins the country in this celebration with series of activities in the Main Library and to all its branch libraries in the city, with the objective of promoting reading awareness and love for books to our young children. Different activities for our librarians were prepared like “Puppetry Making Activity and How to Conduct Puppet Shows at the Community Level, Promotional Activities of QCPL Services, and Forum on How to Better Promote and Advertise your Public library and a motorcade and book Parade. QCPL was so blessed for having these activities approved by our City Mayor Belmonte.

Part of the celebration of the Library and Information Services month this November 2009 of the QCPL is a motorcade showcasing the library’s services, Book Character and the I Love 2 Read Mascot named Diego. According to Councilor Jorge Banal Jr., Diego’s name was a result of a contest in District III, wherein students participated and cast their votes in naming the Mascot. Submitted names for the mascot were Diego, Santino and Bolet to name a few, and Diego became the winner.

The Motorcade affair started after the Flag Raising Ceremony wherein Ms. Cynthia Tolado announced the library’s activities for November 2009. We would like to acknowledge the barangay captains and department heads who helped and supported the motorcade, for without their resources, the affair will never be a success: Hon. Fernandito M. Ortiz, Bgy. Escopa 2, Hon. Dennis A. Caboboy, Bgy. Bahay Toro, Hon. Fermin B. Bi-laos, Bgy. Bagong Pag-asa, Hon. Dominic Flores, Bgy. Pansol. (Cont. on page 5...

Having awarded as one of the Most Outstanding Public Library in the National Capital Region, QCPL became the site of library tours of different schools, universities and provinces. Being an outstanding public library in the NCR is due to the unending support given by our City Mayor Belmonte on all the library’s needs like books and equipments, particularly on the improvement of the City Library.

Last Sept. 11, 2009, students of Master in Library & Information Science of Baliuag, University visited the library. They were accompanied by their professor Ms Teresita DJ. Magbag, whom she called QCPL not a typical public library but one of most progressive city libraries in the Philippines, based from the empirical presentations of her previous students.

Also last October 20, 2009, provincial and municipal librarians from Ilocos Norte unanimously chosen QCPL among the selected areas in the NCR to satisfy their thirst for more meaningful concepts on best library practices and procedures.

LAUNCHING OF PUBLIC LIBRARY CONSORTIUM JINGLE

The Public Library Consortium organized by the Quezon City Public Library, Marikina City Public Library, Manila City Public library and Pasig City Public Library, launched their jingle entitled “Tara Na Sa Ating Aklatan” during the Library and Information Services Month Program of the QC Public Library and was the background music during the motorcade. Public Library Consortium was conceived to advance public libraries. The four public libraries have bonded together to share and help each other develop their libraries. For its first year, the consortium had set two goals:

1. To improve the image of public libraries and librarians through events
2. To share among its member best practices and help members implement these best practices.

The jingle prepared and produced by the consortium seeks to stimulate interest about public libraries and hopefully encourage them to utilize free informational services.

The QCPL’s coordinator in the consortium is Mr. Troy Lacsamana Head of the Multi Media & Internet Services.

QCPL DONATES BOOKS

Jomalig, Quezon Public Library again receives books from the Quezon City Public Library. Mayor Tena of said Municipality personally accepted the reference books. According to him it will take at least seven hours to transport from Quezon Province to Quezon City. One has to ride a motor boat to be able to go to his municipality. Mayor Tena is very much concern to his constituents particularly to the children that he conceptualized having a public library in his place. He wrote to Mayor Belmonte for book donations and the good Mayor referred his letter to the City Library. And the rest is history.

Mayor Tena receives books from Ms. Marlene Raquino of Filipiniana Section and Ms. Ellen Sampiano of Technical Services.
ZONTA CLUB DONATES BOOKS TO QCPL

For the 3rd time, the Zonta International thru its Zonta Club – Quezon City Chapter headed by Ms. Dori C. Espiritu, turned over 2,000 volumes of assorted textbooks to our library last September 10, 2009. The books were courtesy of one of its members, Ms. Lina Enriquez, the President of Bookman, Inc. The Jesuit communications Foundation, (Inc.), a non stock, non-profit organization based in Ateneo de Manila University had chosen the QCPL as a venue of their current show entitled “Soulmix”, a 1-hour show that airs on TV 5 every Saturday at 8 am. They had their shooting November 9, 2009, Monday at the Children’s corner of the library.

The show tackles on the decreasing number of book lovers and readers. The group conducted their own storytelling to the kids and also invited resource person to answer issues that pertains to their current episode.

This show is very timely considering that the QCPL’ advocacy is to increase book lovers and readers through storytelling and Puppet shows conducted in different barangays in Quezon City. This project is in coordination with the different councilors, initiated by Councilor Jorge Banal who himself sponsors storytelling and puppet shows thru his I Love 2 Read campaign.

Our own branch libraries have their own scheduled regular storytelling sessions wherein they invite the children in the community.

The Jesuit Communications Foundation Inc., while shooting on their show entitled “Soulmix” They used the Children’s corner of the Library for their storytelling session and also conducted an impromptu interview to the readers on their comment on the declining percentage of book lovers and readers among our children.

The library, I believe, is the last of our public institutions to which you can go without credentials.

You don’t even need the sticker on your wind-shield that you need to get into the public beach.

All you need is the willingness to read.

SPIRITUAL CORNER

THANKSGIVING PRAYER

But all around the world, we don’t need a special holiday to do this; we can give thanks to God each and every day. Just think of some of the things we can thank God for:
- Thank God for sending His Son Jesus Christ to die on the cross for our sins.
- Thank God that He loves us.
- Thank God that He is gracious and merciful and kind and loving.
- Thank God for the air that we breathe and the food that we eat.
- Thank God for family and friends.
- Thank God for financial provision.
- Thank God for the Health.
- Thank God for sending His Holy Spirit to live in our lives as Christians.
- Thank God for forgiving our sins when we accept Christ as our savior.
- Thank God for the gift of eternal life in Jesus Christ our Lord.
- Thank God for the church and for other Christians.
- Thank God for being able to worship Him.

- end -

GOD LOVES YOU

God loves you! What does this mean? God’s love for you is so much greater than our human love. We say we love people “if”... Or “because”... God just loves us “period.” He loves us when we are sleeping; He loves us when we are little children; He loves us even when we do things that are bad. God loved us so much that, even when we were sinners, He sent His Son. He wants you to be with Him someday in heaven. He wants His love to flow through you to others. You cannot conceal your sins from God, so don’t even try. Confess your sins to Him; ask His forgiveness in the name and power of Jesus Christ. Sincerely ask Jesus sus your savior; and God will forgive you. God loves you and He knows what is best for you. Entrust your ways to Him, and He will lead and guide you on the path that is best for your life.

MERRY CHRISTMAS AND A HAPPY NEW YEAR TO ALL!

CHRISTMAS CELEBRATION

This is the time of year when we celebrate Christmas — the time when Jesus was born! Christmas can be a wonderful time, for it reminds us of the tremendous gift of Jesus Christ to us. God knew we needed a Savior, so He sent His Son Jesus 2,000 years ago. It was a time when the Roman empire ruled much of the world. An angel appeared to a virgin named Mary and said to her, "Greetings, you who are highly favored. The Lord is with you...Do not be afraid, Mary, you have found favor with God. You will be with child and give
The QCPL Staff attended a two day puppetry making seminar at Manila City Library. This is still in line with the celebration of Library and Information Services Month in November. The objective is to make own puppets for the library and conduct puppet shows out these new puppetry materials in the different barangays in the city. The Puppeteers have finished their puppets for their “Pamayanan” script and they have started to have regular practice at the Lagro Branch.

birth to a Son, and you are to give Him the name Jesus. He will be great and will be called the Son of the Most High...The Holy Spirit will come upon you, and the power of the Most High will overshadow you. So the Holy One to be born will be called the Son of God.” (Luke 1:28, 3This Son of God is our Savior Jesus Christ. Let us rejoice this Christmas — and every day of the year — that God sent His Son Jesus Christ to be born, and to live, and to die on the cross to pay the penalty for our sins. You can have Jesus Christ as your savior today and always when we sincerely ask forgiveness of our sins and ask Christ into our hearts to be our Savior and Lord.
